

Clarifications on eligibility for those applying for transfer from another higher education institution

Please check from this table whether you can apply for a transfer from another higher education institution to Turku UAS with your current study right. Also, check other transfer application requirements on Turku UAS's website and Studyinfo.

Please note that not all the mentioned programs are available in every transfer application round. Up-to-date information can be found on Studyinfo-service. The autumn transfer application is published by the beginning of September, and the spring transfer application by the end of January. For more information, contact admissions@turkuamk.fi.
